**Disadvantages of Social Media:(2pts)**

1- Vastness 2- Maze 3- Time wastage 4- Addiction 5- Laziness

**3. What are the types of E-Learning :( Explain )**

**1. Synchronous E-learning (pts)(2pts)**

Synchronous eLearning is real-time learning. In synchronous learning, the learners and the teacher are online and interact at the same time from different locations. They deliver and receive the learning resources via mobile, video conference, Internet or chat. In this type of learning the participants can share their ideas during the session and interact with each other and they get detailed queries and solutions.

**2. Asynchronous E-learning (2pts)**

Asynchronous eLearning is pause-and-resume kind of learning. In this type of eLearning the learner and the teacher cannot be online at same time. Asynchronous eLearning may use technologies such as email, blogs, discussion forums, eBook's CDs, DVDs, etc. Learners may learn at any time, download documents, and chat with teachers & also with co-learners.

**BEST WISHES OF SUCCESS TO ALL OF YOU**
